### **POLICY FOR THE MANAGEMENT OF OUTDOOR EDUCATION, VISITS AND OFF-SITE ACTIVITIES**

#### **1. Introduction**

This policy covers all off-site visits and activities organised through the school and for which the Governing Board and Headteacher are responsible. The Governing Board endorses the Devon County Council /Torbay Council policy document "Outdoor Education, Visits and Off-Site Activities Health and Safety Policy 2016" (OEVOSA) as the basis for the school's policy for the management of visits and off-site activities. The purpose of this policy is to explain *how* the overall OEVOSA policy will be applied in practical terms at a local level, and in particular, the specific roles, responsibilities and arrangements that will apply at St Martin's C of E Primary and Nursery School. This policy also complements and should be read in conjunction with the school's Health & Safety and Safeguarding Policies.

Although holding the ultimate responsibility, the Headteacher has delegated specified tasks to a suitably experienced and competent EVC. The EVC is responsible for carrying out the following agreed tasks and attending the relevant training and update training provided by the Local Authority (LA).

#### **4. Responsibilities of the Visit Leader**

The Visit Leader will:

- have overall responsibility for the supervision and conduct of the visit or activity
- obtain approval and, where appropriate, LA endorsement for the visit in line with OEVOSA and the specific arrangements of this policy prior to undertaking the activity
- assess the risks to staff, young people and members of the public presented by the visit or activity in order to identify and implement any safety measures. This process will be undertaken in line with the arrangements described in paragraph 8 of this policy

- continually re-assess risks during the activity and make adjustments accordingly

## **5. Responsibilities of additional members of staff taking part in visits and off-site activities**

Members of staff, volunteers and parent helpers should:

- Assist the Visit Leader to ensure the health, safety and welfare of others including young people on the visit
- Take time to understand their roles and responsibilities whilst taking part in a visit or activity

## **6. Responsibilities of pupils**

Whilst taking part in off-site activities pupils also have responsibilities about which they should be made aware by the Visit Leader or other members of staff, for their own health and safety and that of the group. Young people should:

- Avoid unnecessary risks
- Follow instructions of the party leader and other members of staff
- Behave sensibly, keeping to any agreed code of conduct
- Inform a member of staff of safety concerns

## **7. Responsibilities of parents**

Parents have an important role in deciding whether any visit or off-site activity is suitable for their child. Subject to their agreement to the activity parents should:

- support the application of any agreed code of conduct
- inform the party leader about any medical, psychological or physical condition relevant to the visit
- provide an emergency contact number
- Provide consent in accordance with the requirements of OEVOSA

## **8. Risk Assessment**

The school is committed to a wide variety of outdoor activities, many of which will be repeated over each academic year where the risks will be very similar or the same. Therefore, when visits are 'routine and regular' in that they occur repeatedly each academic year, the measures taken to control these risks are listed in the Standard Operating Procedures (SOP) in Appendix A. These are the control measures that will apply to all such visits and off-site activities and have been drawn up by the EVC and will be brought to the attention of anyone undertaking the role of Visit Leader.

In assessing the risks presented by a planned visit or activity, the Visit Leader must judge if the SOP are adequate for controlling the risks. For each visit/activity, the SOP document will be generated electronically and the Visit Leader will *either* confirm these as adequate for the proposed visit/activity *or* the additional control measures needed will be listed in the final enhanced risk assessment column.

Any ad hoc visit which is not repeated regularly, plus any activities delivered by school staff falling within the definition of Category B, will have a separate stand-alone risk assessment, as will any overseas Category C visit. This process will be undertaken by the Visit Leader who, whilst being supported by the EVC, will be competent and equipped to complete this task. To meet statutory requirements and to ensure sufficient communication with other staff involved, this risk assessment will be recorded using the Visit Specific risk assessment.

## 9. Approval of off-site activities

The Headteacher will be responsible for approving all off-site activities subject to assurances that arrangements are in line with this policy and risks are adequately controlled. This includes approving the Visit Leader for each visit or off-site activity.

There are 3 categories of visit:

### *Category A:*

Non-adventurous visits i.e. visits to local places of worship, farms, public places etc  
Non-adventurous residential visits i.e. cultural visits to towns/cities etc

### *Category B:*

Adventurous visits where activities are *delivered* by school staff (i.e. Ten Tors, kayaking etc)  
Adventurous day visits led by external providers (i.e. visits to climbing centres, a pony trekking centre etc)  
Adventurous residential visits to outdoor centres

### *Category C:*

Visits of all types outside the UK

In-line with the requirements of OEVOSA, details of Category B and C visits will be uploaded to the Evolve on-line system to facilitate the approval by the Headteacher ahead of final endorsement by the Local Authority Adviser for Outdoor Education.

The policy of St Martin's is that Category A visits will be uploaded to the Evolve system but Risk Assessments are emailed to the Headteacher for approval, then emailed to the EVC for record-keeping. However, we are planning to have all Category A visits uploaded to Evolve within the next academic year, following staff training.

## 10. Safeguarding

The safety and welfare of children is paramount. In the event of a safeguarding issue or concern being identified during the trip or visit, the visit leader should follow the school's child protection/safeguarding policy and procedures. All staff and volunteers on the trip should be made aware of these before the trip or activity takes place. Arrangements should be in place to enable contact with the school's Designated Safeguarding Officer outside normal school hours if necessary. Contact details should be communicated to all staff/volunteers on the trip (as well as the visit leader) in case the safeguarding concern is about the visit leader.

## 11. The provision of training and information

A copy of this policy, along with the overall OEVOSA document, will be made available to all staff within the school who may be responsible for participating in off-site visits and activities and to any parent requesting a copy. Access will also be made available to the overarching OEVOSA policy, and additional guidance information, via the Babcock LDP website: [www.babcock-education.co.uk/ldp](http://www.babcock-education.co.uk/ldp)

The Headteacher will ensure that staff leading or participating in visits are competent for the activities involved. When required, specific training will be undertaken and competencies maintained in accordance with the requirements of OEVOSA. This process will be overseen by the EVC and records of qualifications will be uploaded to the Evolve system.

## **12. Action in the case of emergency**

The Headteacher will ensure that emergency arrangements are in place before approving visits. The Visit Leader will identify these arrangements via a process of risk assessment as described in section 8. Where necessary, this assessment must include the identification of contingency plans. It will also include the identification of sufficient First Aiders, as well as emergency contact details which must include a school contact for outside normal hours if necessary. Any accidents and incidents that occur during off-site visits and activities will be reported and recorded in accordance with the school health and safety policy. Accidents and incidents will subsequently be reviewed within the school to identify any learning points.

## **13. Monitoring and review**

The Governing Board will monitor the application of this policy in operational practice by receiving reports from the Headteacher/EVC.

This policy was adopted on 10<sup>th</sup> May 2017.

The Governors will review this policy:

- Every two years
- After any significant changes to the management of outdoor education locally
- After any significant changes to the OEVOSA document
