

Key Question: How and why do people try to make the world a better place?

What should I already know:

- Some people pray to their God to ask for forgiveness for their sins (they have disobeyed the creator)
- Christians believe God helps them through the Holy Spirit
- Muslims believe people do good and bad deeds and need God's mercy

Key Vocabulary:	
Deeds	Something that is done. These can be good or bad.
Creator	A person or thing that brings something into existence
Ten Commandments	The Ten Commandments are the fundamental laws of Jewish and Christian people which tell them how they should live.
Humanist	A person who trusts scientific method when it comes to understanding how the world works and rejects the idea of the supernatural. Find out more here https://humanism.org.uk

In this unit, children will make connections with prior learning from earlier in the year: what have they already learned about how believers try to live? Why do believers want to follow the commands and teachings of their traditions?

Golden Rule - In this unit we will compare religious and non religious ways of being good and making the world a better place.

<p>Christianity Treat others as you would like them to treat you.</p> 	<p>Judaism What is harmful to you, do not do to other people.</p> 	<p>Islam None of you 'truly' believe, until you wish for your brothers and sisters what you wish for yourself.</p> 
<p>Hinduism Do nothing to others, which if done to you, could cause you pain.</p> 	<p>Treat people the same way you would want to be treated. The Golden Rule which is common to all religions.</p>	<p>Sikhism As you wish for yourself, so wish for others.</p>
